ADAPTIVE CCD SUSPENSION

Whether navigating city streets, cruising on highways, or exploring new places, the New Monjaro's **intelligent damping suspension** continuously monitors road conditions to reduce road disturbances while enhancing vehicle stability and ride comfort for a smoother, more refined journey at every turn.

SET YOUR NEW PERFORMANCE STANDARD

BEYOND POWER & COMFORT

The New Monjaro is engineered to deliver performance that inspires confidence in every drive. Its improved **2.0TD engine** now produces an impressive **245 horsepower** and **380 Nm of torque**, delivering even greater power and responsiveness than before. Paired with a smooth **8-speed automatic transmission** and intelligent **4WD system**, it provides effortless acceleration, confident handling, and greater control across all road conditions. Accelerating from **0-100 km/h** in just **7.6 seconds**, the New Monjaro combines powerful performance with the refinement and composure expected of a premium SUV.

SET YOUR NEW TECHNOLOGY STANDARD

The New Monjaro keeps you effortlessly connected wherever life takes you. The new **Geely Mobile App** lets you remotely start and monitor your vehicle while accessing key functions before every journey. **Wireless Apple CarPlay & Android Auto** ensure seamless smartphone integration, while **four-zone voice control** and **a class-leading 16-speaker FLYME SOUND audio system** with **dedicated driver headrest speakers** create a more intuitive, connected, and immersive driving experience.
